The fees consented to under this arrangement will commence from the later of start date and the date we receive and process the completed and signed form. You agree that any existing fixed-term or ongoing fee arrangement on this account will terminate and be replaced by this new arrangement on that day. If this consent relates solely to a one off fee, this will not replace any existing fee arrangements.

Note: The advice fees payable as set out in this consent will be deducted by Macquarie Investment Management Limited from your Cash Account/Hub. Where there is insufficient balance in the Cash Account/Hub to meet the amount of the fees, your investment holdings may be sold down in accordance with and in the order set out in the PDS.

PART A – Ongoing or fixed-term advice fees

Important: The amounts below must include all fees on a GST-inclusive basis being loaded as per section 2 of this form.

3.1 Please select what kind of advice fee arrangement this consent applies to:

Ongoing (if selected this consent is for you to enter into an ongoing fee arrangement)

Ongoing (if selected this consent is for you to renew an ongoing fee arrangement)

Fixed-term (*fees to be paid for up to 12 months*)

3.2 Estimated ongoing or fixed-term fees

If you sign this consent from (start date) _____, you will pay:

An estimated monthly fee deduction of: \$ _____ **(including GST)** will be deducted from this account each month, generally in the first week of the month after the fees were accrued or upon closure of your account.

An estimated monthly fee of: \$ _____ **(including GST)** for advice (noting this must be equal to or higher than the estimated monthly fee deduction above).

These estimates have been calculated by your financial adviser in accordance with the fee structure set out below. Please refer to your financial adviser for more details.

The estimate has been calculated as a:

PERCENTAGE BASED FEE: The monthly estimate above was arrived at by applying the fee rates that apply per annum on your account to the expected average balance of your account and dividing by 12, plus any estimated transaction based advice fees (if applicable).

Your expected average account balance takes into account, any known large withdrawals or deposits, and for super/pension accounts, contributions that are expected to be made (either employer contributions or personal contributions).

OR

FLAT DOLLAR FEE STRUCTURE: The monthly estimate above was arrived at by using the annual flat dollar fee, divided by 12 (or the term of your arrangement if it is less than 12 months), plus any estimated transaction based advice fees (if applicable). The actual monthly fee amount is calculated by converting the annual fee to an equivalent daily fee, multiplied by the number of days during the month of deduction and will vary each month based on the number of days that month.

OR

COMBINED PERCENTAGE BASED FEE AND FLAT DOLLAR FEE STRUCTURE: The monthly estimate above was arrived at by combining the estimated percentage based fees and the flat dollar amount that will be deducted monthly from your account, plus any estimated transaction based advice fees (if applicable). The percentage based portion has been estimated by applying the fee rates that apply per annum on your account to the expected average balance of your account and dividing by 12. Your expected average account balance takes into account, any known large withdrawals or deposits, and for super/pension accounts, contributions that are expected to be made (either employer contributions or personal contributions).

Relevant expected average balance on which the fee estimate is based (excluding any assets where fees are not charged):

3.3 Expiry of consent

You consent to the deduction of ongoing/fixed-term fees which will expire on:

For an ongoing fee arrangement:

Your reference date is: _____ (this day can be up to 1 year from the start date provided above)

Your existing arrangement (if applicable) will terminate on: _____, and no further advice will be provided or fee charged under it, if the consent is not given.

Please note that:

- If you sign this consent, the maximum period until the consent will cease to have effect is 150 days after the reference date for this arrangement.
- For fixed-term fees, the expiry date should be no more than 12 months from your start date.

You can withdraw your consent or terminate or vary the fee arrangement at any time by notice in writing to your adviser. Where you vary your fee arrangement, we need to receive the instruction at least three business days prior to the end of the month to give effect to the instruction for the following month.
