Dear Mr Sample,

Macquarie ADF Superannuation Fund update

We are writing to let you know about an important change that will impact your investment in the Macquarie ADF Superannuation Fund (“Fund”).

Your account number: 999999999

We have enclosed a ‘Significant Event Notice’ which provides you with important information regarding the transfer of your benefits held in the Macquarie ADF Superannuation Fund to Macquarie Super Accumulator.

This transfer is expected to occur from 11 March 2019.

As outlined in recent correspondence to Fund members on 24 August 2018, Macquarie Investment Management Limited (“the Trustee”), has been assessing the future of the Fund and has concluded that it is in the best interest of members for their benefits to be transferred to another superannuation fund and for the Fund to be terminated.

What you need to know

- A proposal was recently approved by the Trustee to undertake a transfer of members’ benefits to another fund without member consent by way of a “Successor Fund Transfer” (“SFT”).
- An SFT is a process permitted under superannuation legislation subject to strict requirements being met. In particular, an SFT to another superannuation fund can proceed only if the Trustee is satisfied that to do so is in the best interest of transferring members of the Fund and that the other fund provides each transferring member with equivalent rights in respect of the member’s transferred benefits.
- Following a detailed due diligence process, a decision has now been made by the Trustee to transfer superannuation members from the Fund to Macquarie Super Accumulator (“Super Accumulator”), a product within the Macquarie Superannuation Plan. The Trustee of the Fund is also the trustee of Macquarie Superannuation.
- The Trustee has assessed the features of each fund and tested equivalency of members’ rights in respect of benefits in relation to fees, investments, anticipated returns and other factors. As a result, the Trustee is satisfied that the proposed transfer to Super Accumulator is in the best interests of the members of the Fund and that each member being transferred is being provided with equivalent rights in respect of their benefits.
- Following the transfer, you will receive an Exit statement with your transaction history from 1 July 2018 to the date of the transfer. This will replace your statement for the period ending 31 December 2018.

The enclosed Significant Event Notice provides a summary of features, costs and other relevant details of Super Accumulator. It also includes information about what you need to do if you would like to opt-out of the transfer to Super Accumulator.

You can choose to transfer your benefits to another super fund which meets the requirements of super legislation, or choose to make a cash withdrawal from the Fund if you already meet a relevant condition of release under super legislation.

If you don't make such a choice before the SFT, once the SFT is completed you'll still be able to choose to transfer or withdraw from Super Accumulator as permitted by super legislation.

A copy of the Product Disclosure Statement for Super Accumulator is available at macquarie.com/yourwrap. You can also opt to receive a hardcopy PDS by contacting us on 1800 801 651. We have also enclosed a separate notice on how you can make contributions to your Super Accumulator account.

Need help?

If you have any questions on the above, please feel free to contact us on 1800 801 651.

Kind regards

The team at Macquarie
